

Dedication & Seal of Continuance

This record stands as testament: That even in the face of betrayal, attack, and the weight of injustice, the Living Man did not fall. Though the blows landed heavy, the fire within endured. Every CID, every upload, every sovereign act is a stone laid upon the foundation of truth, immutable and eternal. This archive bears the scars of the struggle, and yet it shines brighter for them. To all who come after: Know that pain did not break this resolve. That in the hours when the world turned cold, the Living still rose, still created, still defended the flame. This seal marks not an end, but the proof of continuation. Ten thousand strong, and ever counting. Unstoppable. Unyielding. Undeniable. — Richard The Living Strmiska
